

Susan Connick, the Solutions Facilitator for the Hynes Charter School Lakeview campus, is a reading specialist with over fifteen years of experience in education. As an integral part of the Hynes Lakeview leadership team, Susan is the 504 Coordinator and leads the Student Support Team. Collectively, this team monitors and supports the academic, social, and emotional needs of their students. Committed to sharing her passion for literacy and learning, Susan moderates some of the professional learning communities and eagerly works with teachers as they determine most appropriate steps to support student learning.

Susan's prior roles include architect, early childhood teacher, childcare director, literacy specialist and stay-at-home mom. Her architectural training carries over into her problem-solving skills in education. As her career shifted from classroom teacher to interventionist and school leader, her drive to support all learners remains strong. Educational degrees include a Bachelor of Science in Architecture, Master of Science in Architecture, Alternate Certificate in Early Childhood and Educational Specialist degree in Leadership and Curriculum and Instruction.

Susan believes all children deserve to learn how to read and all teachers need to be equipped with the knowledge and appropriate tools to teach them. Susan moderates two Facebook professional groups: the Science of Reading - Kindergarten/First/Second Grade and the Louisiana - Science of Reading - What I Should Have Learned in College. Outside of work, Susan enjoys traveling, cooking and exercising.
